

Titan Tough 30-Day Guarantee

Each BuddyRest dog bed is hand-crafted with Kevlar™ thread. It's the same material used to sew bullet-proof vests. This thread provides 5x stronger seam strength than any other dog bed out there. Our Titan Tough products (the Acropolis, Defender, and Citadel) come with a 30-day Titan Tough™ Guarantee. This protects your investment in case the bed gets damaged. If your dog damages the cover within the first thirty days, we replace the entire bed one time. Please note: we require a \$20 fee to be paid for covering the shipping of the replacement.
